Hey Katie! Hope
you feel better soon.
I've been keeping an
eye on your Shake
Plant!! Tony's been
feeding it too much
in your absence!
-Josh

Sorry to hear you've been out
ill, Katie. Since we can't
get in touch this will have
to find you when you get
back!

Then we'll talk about that
new proposal from July

-Tim

Hi KT,
Hope you get better soon.
I've been feeding Viney
while you were away.
Is 10g/day the right
amount?
-Tony
